

**National Institute for Research on Women's Health (NIRWoH)  
(Indian Council of Medical Research)**

15.05.2026

**CIRCULAR**

The 64th Institutional Animal Ethics Committee (IAEC) meeting of the Institute will be held on **11.06.2026** in the conference room via physical mode of communication from 11.00 am onwards. Investigators requiring animals for new study protocols are requested to submit the project title to [animalhouse@nirrch.res.in](mailto:animalhouse@nirrch.res.in) to assign a project number at the earliest. The PI should submit 1 Soft copy and 1 hard copy of the new project proposal in the CCSEA format on or before **25.05.2026**.

The progress reports of the last year of ongoing projects will be reviewed, and the **additional animal requirement for the next year** will also be approved. **The progress report to be submitted on or before 25.05.2026.**

**The project completion report should also be submitted for the terminated animal studies.**

(Please ensure that the final proposal should have the Title of the Project and Project Number provided in the 'Header' of every page of the project)

**Dr. Vikas D Dighe**  
Member Secretary (acting)  
NIRWoH -Institutional Animal Ethics Committee
